CHILDREN'S LITERATURE BOOK SALES

Children's Literature provides support for book sales at numerous author events, school book fairs and the like. Often we have one or two copies of a book left that we do not bother to return to the publisher. Our stock has grown and we would like to make some very good, never used books available on a first come first serve basis at a very attractive price: 50% off list (and you do not pay shipping for orders received by December 24th, 2010). We will not order books as part of this special program. New/revised order forms will be posted each month. Links to order forms that identify this month's book sale offerings are provided below:
